From the Editor

■ Dear Colleagues:

In this issue, you will notice that there is a change in our editorial team which was requested and done by the new executive committee of Turkish Gastroenterological Association. I am grateful to our previous associate editors; Seyfettin Köklü, Ömer Başar, Ahmet Danalıoğlu, and Şahin Çoban who made a great job out of perseverance for more than two years and their performance was excellent. I also thank our other previous associate editors who contributed to our journal. Many new colleagues, who are also smart and eager to contribute, were added to our editorial team. I wish them success in their new job and I am sure they are going to do great as well. Our efforts to achieve the best will go on. We are going to add a section as Image of the Issue and we are waiting for your contributions. Instructions for the preparation of this section is present in the instructions to the authors section of the issue. We are going to expand the volume of "Gastroenterology Elsewhere" section as well to increase the readability of our journal, which is one of our main goals.

I congratulate the new executive committee of Turkish Gastroenterological Society: Serhat Bor (President), Kadir Bal, Hale Akpınar, Birol Özer, Murat Törüner, Orhan Sezgin, and Necati Örmeci.
